DEAR PARENTS AND GUARDIANS,

What is important to us?

The well-being and the safety of every child

How do we guarantee that?

“Our concept against violence”
as the basis of our actions.

protection, care and
participation.”**

**“Attacks and violence are
not allowed in our city or
anywhere else in Austria.”**

HOW DO WE PREVENT VIOLENCE?

through

- regular risk analysis
- special recruitment requirements for employees
- agreement of a code of conduct
- declaration of adherence for all people employed at our organisation
- a child protection officer
- complaints systems for children, young people, guardians, parents and employees
- participation of children, young people, guardians and parents
- compulsory further training on the topic of child protection

WHAT DO WE BASE OUR ACTIONS ON?
